

Münster, November 2023

Price Information

Dear Sir or Madam,

we, the company Diagonal GmbH & Co. KG, thank you for the cooperation and your trust in our products.

The costs for raw materials, personnel, energy and transport (CO₂ tax) also have an impact to the production of ready-to-use slides Testsimplets. This leads to a price adjustment for the coming year.

The new prices shown in the chart below are valid from 1.1.2024

So now you still have the opportunity to order at old conditions while stocks last. Continue to benefit in year 2024 from our favorable scaled prices.

Product	Order-No.	Pack.	Price/Pack.	10 Pack.	50 Pack	100 Pack.
Testsimplets®	191574	50 pcs.	99,00	89,10	84,15	79,20

All prices in € plus VAT. Our general terms and conditions apply.

We look forward to providing you with competent advice on your laboratory requirements next year as well.

Best regards from Münster,

Your Diagonal-Team
